

SOHAM NITIN PASHILKAR

MACHINE LEARNING ENGINEER

+91 8419943679 | sohampashilkar84@gmail.com | www.git.com/sohamnp06

SUMMARY

Machine Learning Engineer with hands-on experience building end-to-end, production-ready systems. Proficiency and hands-on expertise in transforming raw data into high-performing machine learning models through advanced preprocessing and feature engineering techniques. Experienced in developing scalable ML pipelines and deploying models using backend frameworks. Currently expanding into NLP and advanced AI systems.

PROJECTS

AI Academic Agent (RAG-based Learning System) | Python, Transformers, FAISS, Flask

- Designed an intelligent learning assistant using Retrieval-Augmented Generation (RAG) to answer queries from academic documents.
- Implemented student performance tracking and misconception detection using structured learning data.
- Built an end-to-end pipeline integrating document ingestion, semantic retrieval, and adaptive response generation.

AI Resume Screening System | Python, NLP, scikit-learn, Flask, PostgreSQL

- Built an end-to-end NLP pipeline to parse resumes and match them against job descriptions using text preprocessing and similarity-based scoring.
- Implemented skill extraction and ranking logic to identify candidate-job fit, improving screening efficiency.
- Developed a Flask-based backend with database integration to store and retrieve candidate evaluations

Cyber Threat Detection Platform | Python, NLP, Hugging Face, Flask

- Developed a transformer-based NLP system for detecting malicious and phishing inputs.
- Integrated explainability and risk scoring for decision support.
- Deployed as an end-to-end pipeline with real-time web interface.

SKILLS

- | | | |
|---------------------------|-----------------------|----------------------|
| • Machine Learning & NLP | • Problem Solving | • System Design |
| • Model Deployment & APIs | • Analytical Thinking | • Model Optimization |

EDUCATION

Vidyalankar Institute of Technology ,Wadala
Btech in Computer Engineering

2024-2028

Royal Junior College of Science and Commerce , Dombivli
HSC Science

2022-2024
